
World Scientific Industrial and Medical Incorporated

Category: Web Development

Development Status: Completed

Project Date: October 2005
Details: V.H. Marketing Limited selected Rizon to develop an e-commerce solution for their Florida based subsidiary WOSCIMED Incorporated.

Development on this retail and wholesale pharmaceutical portal began in mid October with version 1.0 going live within two weeks. A twelve month contract saw the site through multiple revisions, culminating at version 3.0 with over listed 1500 products, and thousands of page hits daily.

Going beyond just development duties, Rizon promoted the site at industry specific search engines and exchange portals. Rizon technical support was on call 365 days of the year and maintained an email response time of less than 12 hours. In addition to this, monthly reports on the status of the website was sent to C.E.O. and Chairman of WOSCIMED, Mr. Vernon Harricharan.
